

ZPI goals

Filip Plata

Short term goals

- **Passing as many courses as possible during winter semester, to have more time in the spring**
- **Improving public speaking and presentation creating**
- **Attending and passing not so demanding course in terms of time spent, to leave time for other courses**

Long term goals

- **Learning to manage duties in a more streamlined fashion - fighting habit of just-before-deadline improvements. This can be checked by times of submissions on Moodle**
- **Meta goal of improving skill of setting clear long term plans for myself - general direction in which I am heading - and executing them**
